Editor's Note

On behalf of Rutgers CKI, I would like to acknowledge and thank our general members, chairs, Eboard, advisor, and Kiwanis International for a wonderful, transitional semester back in-person. Not only did we persevere when we were sent online unexpectedly in 2020 but also as we transitioned into a hybrid format for Fall 2021.

We will continue to do so as we move into Spring 2022 because it is *your* dedication to service and leadership that drives Rutgers CKI forward.

Yours in service,
Jennifer Buritica-Lopez

What is RU4KIDS?

RU4KIDS is a program where Rutgers student organizations are paired with patient families through the Embrace Kids Foundation.

RU CKI has gained Hayden as a friend and loved being able to hang out with him!

RU4KIDS *Updates*

On Thursday, November 11th, a few of our CKI friends, our RU4Kids friend, and his family met up at Hansel and Griddle for some yummy food and shakes! This was our first meetup in person since August when we met up at the mall.

Written by Emily Scarborough

RUI4KIDS Updates

On Saturday, December 4th, Emily, Ian, Chiara, and Michael celebrated the Holiday season with the Embrace Kids Foundation, Hayden, and his mother at iPlayAmerica in Freehold.

Gingerbread houses, life-sized Spiderman balloons, and lots of photos memorialized the afternoon party!

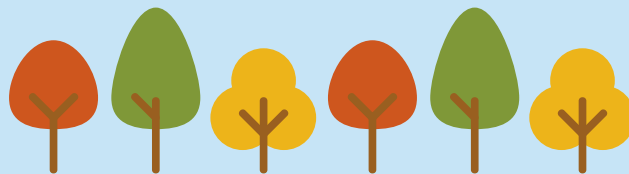

Written by Ian Leonhardt

RU4KIDS Updates

On Saturday, November 20th, Ian, Emily, Dev and Anjali went to the sports complex to meet up with our RU4Kids family and enjoyed some delicious food like sweet potatoes, turkey, mashed potatoes, and so much more!

There were also activities like soccer, football, and indoor parachute games. We ended up hanging out with our RU4Kids family in a more relaxed way and colored and talked about the upcoming holidays.
